

The Squad

Name: Ramsey "Ram" Capello

Rank: Sergeant (Squad Leader)

Months In: 10. Volunteer.

Vitals: Italian. 5'7", 192 lbs. Brown hair and eyes. 32.

Description: Ram doesn't look like much until you see his eyes, but his hard, determined stare is enough to command respect from anyone. A career soldier, he does not take any shit. His serious attitude towards his duties, both explicit and expected, keeps him on the straight and narrow.

Starting Profile: Soldier

Name: Daniel "Locker" Jones

Rank: Corporal (Fire Team Charlie Leader)

Months In: 9. Volunteer.

Vitals: Caucasian. 6'1", 187 lbs. Black eyes, blond hair. 27.

Description: One of the more remarkable members of the squad due to his ghoulish appearance, Daniel is both an exemplary soldier and well educated. His ambitions are much higher than dying in some swamp in Vietnam, and sometimes his fear of doing so comes out in strange ways..

Starting Profile: Accuser

Name: David "Anaconda" Steinbeck

Rank: Corporal (Fire Team Alpha Leader)

Months In: 8. Draftee.

Vitals: Caucasian. 5'10", 185 lbs. Brown hair, hazel eyes. 28.

Description: A lithe man, his call sign comes from his deceptively strong upper body and his well-developed wrestling skills. Anaconda is confident without being obnoxious, and probably the most popular non-com in the squad.

Starting Profile: Warrior

Name: Efram "Chameleon" Osgood

Rank: Private (Fire Team Charlie)

Months In: 7. Draftee.

Vitals: African-American. 5'8", 179 lbs. Brown eyes, shaved head. 21.

Description: The best point man in the squad, he tends to blend into the background even when not on patrol. He rarely speaks, and makes his opinions known with actions, not words. Some in the squad find his silence ominous.

Starting Profile: Warrior

Name: Rocky "Raven" Alongi

Rank: Corporal (Fire Team Bravo Leader)

Months In: 7. Draftee.

Vitals: Italian. 5'10", 206 lbs. Hazel eyes, shaved head. 28.

Description: Stocky and with a perpetual sneer, he oozes intimidation. Raven does not talk about his past, but he had plenty of scars even before arriving in Vietnam. He has been known to react to insubordination with violence, but he toes the line with his superiors.

Starting Profile: Brawler

Name: Ryan "Deadwood" Alder

Rank: Private First Class (Fire Team Charlie)

Months In: 7. Volunteer.

Vitals: African-American. 5'9", 170 lbs. Hazel eyes, brown hair. 19.

Description: An idealistic college student, his optimism is being steadily worn away by the harsh realities of the war. He tries to soldier on, but finds himself caring less and less about his own situation, let alone that of the other men. As his ideals fade, he finds refuge in the mechanical operations of his job.

Starting Profile: Soldier

Name: Jared "Jesus" Trujillo

Rank: Private First Class (Fire Team Bravo) (Medic)

Months In: 6. Draftee.

Vitals: Latino. 5'11", 183 lbs. Brown hair and eyes. 22.

Description: Jared gets his nickname from his shaggy hair and peaceful bearing. He doesn't let very much rattle him, and seems a lot older than he is. He always has a kind word, even for the idiots in the squad. The fact that he's the squad medic doesn't hurt his popularity, either.

Starting Profile: Warrior

Name: Elmo "Saint" Smith

Rank: Lance Corporal (Fire Team Alpha)

Months In: 6. Draftee.

Vitals: Scandinavian. 6'1", 198 lbs. Blue eyes, blond hair. 23.

Description: Elmo is anything but a saint. He always manages to dig up the substances that soldiers are not supposed to have, which makes him popular amongst his comrades. He falls over himself to stay in line when someone in command is around, to keep out of trouble. His own substance abuse has resulted in the injuries of squad mates in the past, but he keeps that quiet.

Starting Profile: Accuser

Squad One-Sheet

Name: Wendell “Professor” Kettridge

Rank: Private (Fire Team Bravo)

Months In: 6. Draftee.

Vitals: Irish. 6’3”, 226 lbs. Blue eyes, red hair. 23.

Description: His nickname come from his Christian name and his glasses, not his big, stocky body. Probably the most muscled man in the squad, he is interested in little but telling dirty jokes, fighting, and staying alive. As the humper of the machine gun, the others usually let his behavior slide, even when they find it annoying, offensive or both.

Starting Profile: Brawler

Name: Tommy “Skid” Bunting

Rank: Private First Class (Fire Team Bravo)

Months In: 5. Volunteered.

Vitals: Caucasian. 5’6”, 150 lbs. Brown hair, blue eyes. 21.

Description: Young, but extremely confidant, he tends to ignore his surroundings rather than deal with them. He always has something to say. Sometimes its right, but sometimes its dead wrong. As the smallest man in the squad, he's often ordered to investigate Viet Cong tunnels and other dangerous places, leading to a fatalistic attitude.

Starting Profile: Invincible

Name: William “Big White” White

Rank: Private (Fire Team Alpha)

Months In: 5. Draftee.

Vitals: African-American. 6’4”, 207 lbs. Brown eyes, shaved head. 25.

Description: A black man from Alabama, he knows what living in fear means. The leveling effect that Vietnam has on racism means that he gets along just fine with his squad, but it doesn’t mean that he takes it easy. He’s a very good soldier, and is respected for it.

Starting Profile: Invincible

Name: Eddie “Cowboy” Riley

Rank: Lance Corporal (Fire Team Charlie)

Months In: 4. Draftee.

Vitals: Caucasian. 5’9”, 191 lbs. Blue eyes, brown hair. 20.

Description: A farmhand from Texas, Eddie plays up his drawl and mannerisms just to stand out. He sees soldiering as an opportunity, not a dead-end. His arrogance and persistent winnings at cards often get him glares, but no-one has caught him cheating – yet.

Starting Profile: Brawler

Name: Julien “Jewel” Abromowitz

Rank: Private (Fire Team Alpha)

Months In: 4. Draftee.

Vitals: Jewish. 5’8”, 160 lbs. Brown hair and eyes. 19.

Description: Stereotypically Jewish looks give some of the others plenty of ammunition for “good-natured” ribbing. Julien doesn’t like it, but most of the time is too intimidated to speak up. He wants to get along with everyone, but has a hard time doing so. Neither his upbringing nor his experiences thus far have given him the fatalism or confidence that he sees in the other soldiers.

Starting Profile: Soldier

Name: Willard “Coyote” Williamson

Rank: Private First Class (Fire Team Bravo)

Months In: 4. Draftee.

Vitals: African-American. 6’, 180 lbs. Black hair, brown eyes. 23.

Description: Lanky and dreadlocked, Coyote’s nickname comes from his habit of howling when he gets excited. He has a lot of energy, most of it nervous, and can get on the others nerves fairly easily. However, the facts that he honestly does not notice how annoying he can be, and that he does well in combat, lets him get away with more than he should.

Starting Profile: Companion

Name: James “Bull” Toren

Rank: Private (Fire Team Charlie)

Months In: 3. Draftee.

Vitals: Caucasian. 6’6”, 242 lbs. Brown eyes, shaved head. 25.

Description: The build of a bull and the brains to match give Jim his nick-name. While Vietnam is a better option than a Chicago meatpacking plants, he still hates it, hates his own stupidity, and hates anyone who calls him on either. He's gotten into more fights with his squad mates than with the enemy.

Starting Profile: Accuser

Name: Shirley “Temple” Jenkins

Rank: Private (Fire Team Alpha)

Months In: 2. Draftee.

Vitals: Caucasian. 5’7”, 155 lbs. Blue eyes, blonde hair. 19.

Description: The most recent recruit to the squad, he still looks and acts like a weedy college student. He doesn’t talk much and usually tries to get out of the way. He just wants to go home. So far, he has not done much to earn the trust of the others, and it shows.
